

PowerSchool Parent Portal

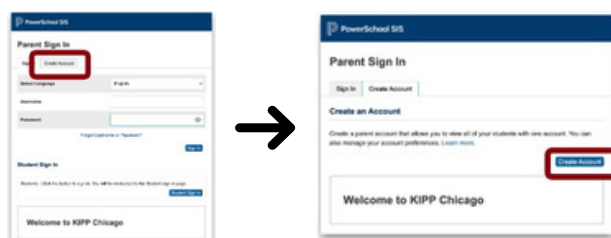

Logging into the Parent Portal for the First Time

! IMPORTANT: Create an account for yourself first, BEFORE linking students to your account.

1. Open a browser and navigate to: <https://kippchicago.powerschool.com> or scan the QR code to get started.

2. Click on the "Create Account" tab and then select the blue "Create Account" button.

3. Populate the fields under "Parent Account Details" using the guardian's information (**not** the student's information).

A screenshot of the 'Create Parent Account' form. The 'Parent Account Details' section is highlighted with a red box. It contains fields for First Name, Last Name, Email, Re-enter Email, Desired Username, Password, and Re-enter Password. There are also instructions for password requirements.

4. Now you can link your child(ren).
 - a. Enter the Student's First and Last Name
 - b. Using the Access ID and Access Password provided by the school

Helpful Tips:

★ The navigation bar to the left contains information on each student.

★ Any child linked to your account is listed at the top of your homepage.
